**A BIG  
THANK YOU**

As we start a new fiscal year this month, I want to again say thank you for your financial support which enables Jazz 91.9 WCLK to broadcast and stream its programming yet another year. WCLK is so fortunate to operate in a vibrant city that shares our passion for Jazz.

**Wendy Williams  
GENERAL MANAGER**

One of the great privileges that I had recently was to experience firsthand the value that WCLK provides. Just last week, I attended the Georgia Association of Broadcasters 85<sup>th</sup> Anniversary luncheon here in Atlanta. It was a thrill for me and the WCLK management team to meet with so many of our colleagues from both radio and television, commercial and noncommercial operators and of news and music formats. We were most struck by all the kind comments we got and to hear many of them say that WCLK was their favorite station. Being appreciated by your peers is one of the highest compliments you can get. But to make matters even better, we decided to use a rideshare service to get us to the luncheon. And on the ride to and from the restaurant, our rideshare drivers had Jazz 9.19 WCLK tuned in on their dials. When we asked why they had us tuned in, they said it keeps them calm and makes the ride enjoyable for their passengers. It's moments like these that let me know that WCLK truly does make a difference and provides an invaluable service here in Atlanta.

With your support, you make it possible for us to deliver our unique and rich blend of Jazz, Gospel and information programming that's presented by our talented announcers every day. At Jazz 91.9 WCLK it is our pleasure to continue to serve you and we are happy that you enjoy!

Jazz 91.9 WCLK is proud to support Hosea Helps No Summer Hunger initiative. School is out and for a lot of children that means less food to eat for the Summer. The initiative brings attention to ways the public can get involved with the campaign to help end hunger in the community.

The No Summer Hunger campaign has adopted 13,000 kids in Metro Atlanta in low income based housing, summer camps and programs to feed for the Summer. For more information on ways you can help, visit: <https://4hosea.org/>.
