## THE MAIN SOURCE

We all know that 2020 has been one of the most challenging years ever. However, challenging as it maybe, 2020 also has been marked with some very memorable highlights and exciting moments, especially for **Jazz 91.9 WCLK**. WCLK has just been recognized as one of the best performing stations in the country for weathering the pandemic storm of 2020. So, while radio in general was taking a hit from pandemic related news, WCLK and its healing properties of Jazz and Gospel, were a place that listeners tuned to most often for consistent comfort and nurturing. That, from the Radio Research Consortium, which releases and distributes the Nielsen Portable People Meter (PPM) ratings to public stations across the United States.

WCLK also has picked up the distinction of becoming a Mediabase reporting outlet. Simply put, that means other music sources and industry watchers, are looking and listening to the trends that WCLK is setting in its Jazz and Gospel music via analytical tools. Mediabase is a 360 degree reporting service for media professionals. Add to that the fact that WCLK already has the unique distinction of being one of the only public radio stations in the country that is a Billboard music reporting media outlet.

You know when you tune in to Jazz 91.9 daily from your car, home, online at [WCLK.com](http://WCLK.com) or on the new WCLK App, you are already at the source for the world's best content for Jazz, Gospel, information and public affairs programming.

THE BASICS YOU SHOULD KNOW!

## WHEN QUALIFYING FOR A LOAN, WHAT DO LENDERS LOOK AT IN REGARDS TO INCOME?

Generally Lenders will need the past 2 years tax returns for self-employed and W2 wage earners. They will average the income for the past 2 years. If income is declining they will use the lower amount. If you received an increase in pay due to a promotion they may be able to use the new amount. Part-time or second jobs must also have a 2 year history to be used. Temporary disability, workers compensation or any income that will not continue for a minimum of three years cannot be used.
